Shuttle Service - Yennora

P&O Trans Australia provides you with seamless connectivity to every one of our nation's major ports. Whether you're an importer or an exporter, whether it's a global supply chain or a couple of cartons, we provide you with a fully integrated, one-stop logistics shop.

POTA's Yennora Intermodal Terminal is located in Western Sydney in close proximity to the industrial market areas that it serves. Connected to the freight rail line and within easy access to the main trucking routes the Yennora Distribution Centre is one of the largest distribution centres of its kind in the southern hemisphere and is a site of state significance with almost 300,000m² under roof and a further 60,000m² of dedicated container hardstand. The site operates as an 'integrated intermodal' rail terminal with nearly 7km of rail spurs.
